After some free time to rest or for a “Neighbourhood orientation”, we have organized for you a guided walking tour through the most characteristic and important places of the history of Venice (about 3 hours). An essential tour for the understanding of Venice and its main monuments: Palazzo Ducale, Bell Tower, Clock Tower, Marco Polo’s House, Basilica San Marco and its wonderful square.

Return to hotel and overnight.

For lunch and dinner our local assistant will be happy to suggest restaurants or typical “bacari” (=wine bar) according to your wishes.

The tour will then continue towards Burano: the island famous for its lace-making and for the brightly-coloured fishermen’s houses, painted in this way in order to let the fishermen see them from long distance, according to a legend. Lunch in a typical restaurant during the excursion.

Return to Venice and free time. Your local assistant will be pleased to suggest you other visits to the city or simply a nice walk to reach places with a stunning view for an aperitif or dinner.
Wednesday July 3rd – Venice

Breakfast at the hotel. Morning free for shopping or relax or to visit other magnificent museums and palaces. In the afternoon a private guided movie itinerary will allow you to see the palaces, squares and streets filmed in the famous movies directed in Venice, the city of the International Film Festival since 1932. Venice has been chosen by some of the most important directors who saw in Venice the perfect set for a number of films (like The Tourist, Casino Royale, Everyone says I love You and many others). Take a ride on the Green Train of the Alps on a spectacular journey on the Swiss Alps from Milan. Cross the lake of Thun on a cruise boat to reach the enchanted village of Interlaken.
Depart Milan on a high-speed train for the town of Domodossola, the last Italian frontier before the Swiss border. Here begins your adventure on the “Green train of the Alps!”

The train takes you on a journey through the Simplon pass, one of the most beautiful crossings in Switzerland. Cutting between the alps, your knowledgeable English-speaking guide will introduce you to the secrets of mountains and the valleys as they appear before of your eyes.

After around 2 hours of breath-taking panoramas, we arrive in Spiez, on the shores of Lake Thun. Here we stop for a spot of lunch (not included), before departing on our cruise to Interlaken, on a state of the art steamboat.

Whilst crossing the lake, take a moment to snap some pictures of Eiger, Mönch and Jungfrau, 3 famous mountains whose recognisable shapes reflect in the light blue water of the lake.

Once in the Interlaken, enjoy time to explore the picturesque architecture or take a walk around the shore where you can marvel at the hang gliders peacefully soaring over the snow capped alps in the distance. Aside from beautiful views, don’t forget to try some of the world’s finest Swiss chocolate at the one of the many local specialty chocolatiers that dot the town.

VERONA AND SIRMIONE – DAY TRIP

5th or 9th July 2019
Eur 89 / per person

VERONA AND SIRMIONE

Take a day trip from Milanto discover the beautiful town of Verona, the famous setting of Shakespeare’s ‘Romeo and Juliet’ and the unmissable Sirmione, a stunning lakeside town on Lake Garda where ancient roman ruins meet the crystal blue shores.

HIGHLIGHTS
Two-hour guided walking tour of Verona
Explore the Roman Arena and see Juliet’s balcony
Visit Sirmione on Lake Garda

Verona is a beautiful and romantic city, a prosperous medieval town in its own and also a popular tourist destination. Step back into Shakespearean times and call for your Romeo from Juliet’s balcony or visit the exceptionally preserved ancient Roman Arena where during the summer concerts and operas are still performed. You will also have free time to explore the narrow medieval streets and the renaissance palace that make up Verona’s historic centre.

The stunning lakeside towns around Lake Garda have fascinated visitors for centuries.
The first people to fall in love with the area were the Romans, who made it a luxurious summer destination; and in Sirmione you can visit ruins and mosaics that mark their presence.

Sirmione, which lies between the blue waters of Lake Garda and green olive trees, is undoubtedly one of the most romantic places on earth and its beauty has been praised by Roman poet Catullus since the early days. Visit the narrow medieval streets that burst with colour, the moated castle, Rocca Scaligera or take a wander through the towns most striking attraction, the grand Roman villa. Here you can admire the ruined walls and archaeological delights, including a charming carving of rabbits in the small museum.

CINQUE TERRE – DAY TRIP

1 Day
4th or 5th or 9th July 2019

Eur 129 / per person

CINQUE TERRE

Discover the beautiful Cinque Terre! A UNESCO World Heritage site, Cinque Terre, meaning ‘five lands’ (Riomaggiore, Manarola, Corniglia, Vernazza and Monterosso) are five perilously perched villages strung along a short stretch of cliffs that face the Liguria Sea on one of Italy’s most scenic stretches of coastline.

HIGHLIGHTS
Cruise from Monterosso to La Spezia
Free time to explore Monterosso
Free time to explore Manarola
Scenic bus ride on the coast
Professional English speaking guide
Leaving Milan, you arrive directly at the Cinque Terre and via a scenic route on the coast you reach Manarola. Here you’ll have free time to venture around the vineyards, stroll the piers where fishing boats line the shore or watch the locals and the tourists jumping into the sea from the rocks of the harbour!

Right before lunch time you catch the train to Monterosso al mare, the biggest of the five villages, where you will have time to explore and visit the beaches dotted along the coast. Despite the number of tourists, there is still a real sense of local identity even in the most tourist-crammed little ‘piazze’. Restaurants, bars and accommodation all have an endearingly homespun air about them as though when the locals saw tourists coming, they found a few garden chairs to stick on their terrace, hand painted a sign and began serving customers.

From Monterosso you will start the final leg of your journey, probably the most inspiring, a 90 minutes boat cruise. The perfect way to admire the stunning views of the Cinque Terre and the delightful village of Portovenere from the sea. After this memorable experience, you will arrive at La Spezia where your coach will be waiting to take you back to Milan.
